

REMARKS

In the above-mentioned Office Action, the Examiner indicated that all of the pending claims, claims 1-3, 5-14, and 16, contain allowable subject matter but rejected the claims under Section 112, second paragraph, for failing to identify acronyms in claims 1, 5, 14, and 16.

The Applicants gratefully acknowledge the Examiner's indication of allowable subject matter of the pending claims.

The amendments set forth herein identify the acronym "UMTS" to be Universal Mobile Telecommunications System, identify the acronym "DPCH" to be Dedicated Physical Channel, identify "UTRAN" to be Universal Terrestrial Radio Access Network, and identify "URA" to be UTRAN Registration Area. The Applicants believe such term and acronyms to be well-known in the art.

The claims, as amended, are believed therefore to be in condition for allowance. Consideration of the amendments to the claims, and grant of allowance of the claims, as amended, is respectfully requested. Such early action is earnestly solicited.

Respectfully submitted,

/Robert H. Kelly/
